## POSITION DESCRIPTION

University of California, Irvine - FACULTY POSITION IN INORGANIC CHEMISTRY

The Department of Chemistry of the University of California, Irvine invites applications for a tenure track faculty position in Inorganic Chemistry. We seek a colleague who will establish a vigorous research program; candidates with expertise in Inorganic Chemistry, particularly in the synthesis of molecular compounds, are encouraged to apply. Successful candidates will also be committed to teaching chemistry at both the undergraduate and graduate levels. We further seek candidates who will promote the success of historically underrepresented and marginalized student communities and address the needs of our increasingly diverse state and student population. Candidates must have a Ph.D. in Chemistry or a closely related field; postdoctoral experience is desirable. Applications should be submitted at (<https://recruit.ap.uci.edu/apply/JPF09259>). The application must include a cover letter (1 - 2 pages), a curriculum vitae (including publications), a concise statement of proposed research (1 page executive summary and 5-9 pages of additional details), a teaching statement (1 page), and a separate statement that addresses past and/or potential contributions to inclusive excellence (1 page). Applicants must provide the contact information of three references. To ensure full consideration, complete applications must be received by October 20, 2024.

UCI is a Hispanic-Serving Institution (HSI) and an Asian American and Native American Pacific Islander-Serving Institution (AANAPISI). We seek faculty who are committed to diversity as well as diverse faculty who will be role models for our students. A recipient of an NSF ADVANCE award for gender equity, UCI is responsive to the needs of dual career couples, supports work-life balance through an array of family-friendly policies, and is dedicated to broadening participation in higher education.
